Poland

Mr Rafał Hojnor  
Managing Director

Dear Sir,

We would like to confirm that Nafto Sp. z o.o. successfully executed fabrication and delivery of steelwork, ducting, guillotines, expansion joints and damper for ELTA PS3 F2 ID Fan Repair and Ducting Replacement Project, Esso Petroleum Company Ltd, Fawley Refinery, UK.

The works, executed under the Purchase Order No. 700/260 between February 2015 and November 2015, consisted of:

- Steelwork fabrication of ducts, guillotines and damper including:  
APH 51° Outlet Duct, Trouser Duct, Fan Inlet Hood Ducts, Fan Outlet Vertical Duct, Stack Elbow Duct, Horizontal Duct, Stack Transition Duct, APH Guillotine, Stack Guillotine, Damper – 54 tons,
- Fabrication of support steelwork (stack duct frame, duct support structure and 51° Duct support) – galvanized carbon steel – 24 tons,
- Fabrication of platforms and ladders – galvanized carbon steel – 4 tons,
- Full trial assembly of ducts and steelwork,
- Corrosion protection,
- Installation of refractory anchors,
- Installation of refractory (37 m<sup>3</sup> of MW Castable),
- Dry-out of refractory at 260°C,
- NDTs,
- QA/QC documentation,
- Packing of all items suitable for shipment including necessary materials where applicable.

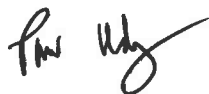

---

Nafto Sp. z o.o. exhibited a high degree of professionalism and ensured good quality of prefabrication works.

We would, therefore recommend Nafto Sp. z o.o. as a highly professional and reliable contractor, conscientious of the Client's interests.

Regards
