REFERENCE LETTER

To Whom It May Concern,

This letter is written to provide a recommendation for NAFTA Sp. z o.o., which from August 2015 until November 2015 executed prefabrication and erection of piping as well as equipment installation for New Oil Catalyst and Donor Feed System at PE2 Plant of the Borealis Polymers Oy, Porvoo, Finland.

The works were executed during TA15/2 (autumn) and consisted of:

- shop fabrication and erection of 3000 kg of Small Bore piping including 2250 kg of Austenitic and 750 kg of carbon steel piping,
- installation of 4500 kg of equipment,
- QA/QC and As Built documentation.

Nafto Sp. z o.o. exhibited a high degree of professionalism and ensured good quality in installation and welding works.

We would, therefore recommend Nafto Sp. z o.o. as a highly professional and reliable contractor, conscientious of the Client's interests.

Veli Pelkonen
